Subject: UPDATED Draft letter to ACHP and draft RTC for 106 consultation

**** deliberative ****

Good afternoon!

I am sending an updated draft letter to the ACHP and an updated draft Response to Comment (for 106 consultation) document from the versions that Jeaneanne sent yesterday.

The draft letter includes changes that were recommended by OGC staff that were sent Friday but were inadvertently overlooked during the effort to get these documents finished and up to leadership as quickly as possible. We also added to the end of the letter (after the signature) the enclosure that was referenced in the letter regarding the summary of our communication with the consulting parties.

The draft Response to Comment document was updated for two reasons.

Ex. 5 Deliberative Process (DP)

I sincerely apologize about the confusion, and if you have any questions please let me know. Jeaneanne and I are both available by phone if you wish to call this evening.

Tom
